MILLENNIAL-GRIND.COM

# This planner will help you do less and manifest more.

Use this planner as your starting point for your manifestations.

This planner incorporates the core elements of my manifestation teachings from prayers, to visualization, to affirmations.

Of course, it also has room for you to create your action plan and to-do list which will help meet the Universe halfway by taking action.

*a note from Kenneth*

*P.S. If you found this useful, then you have to get the full-sized [Law of Attraction Planner](#). My customers LOVE it and I'm sure you would too.*
